Dear Requester:

Reference is made to your Freedom of Information Act (FOIA) request, which was originally submitted to the United States Secret Service (Secret Service) on October 1, 2015, for information pertaining to the entire findings report produced by the independent panel selected to review the USSS, also known as the USSS Protective Mission Panel (not the executive summary to the panel's report, which has been posted online)

In our acknowledgement letter to you, dated October 19, 2015, we advised you that due to the increasing number of FOIA requests received by this office, we could encounter some delay in processing your request. However, we want to let you know that we have been making every effort to reduce the backlog of cases.

For your information, documents responsive to your request have been located, forwarded to this office for review and are in processing. Upon completion of the processing, all documents that can be released will be made available to you at the earliest possible date.

If you have any questions or would like to discuss this matter, please contact this office at (202) 406-6370. Please use the file number indicated above in all future correspondence with this office.

Thank you,

FOIA/PA Office
